

**REMARKS**

Claims 1, 2, and 5-11 are pending in the application. Claims 10 and 11 are herein cancelled. No new matter has been added.

Claims 1, 2, and 5-9 have been allowed over the art of record. The Examiner has objected to claim 1. Allowance of claims 1, 2, and 5-9 is requested in view of the following remarks.

**Objection to the Claims**

Claim 1 was objected to because of informalities in the terminology used to claim the invention. As suggested by the Examiner, the word "parallel" on line 10 of claim 1 is changed to --oblique--. As further suggested by the Examiner, the phrase "an obliquely inclined hole" on line 13 and on line 16 of claim 1 is changed to --an inclined hole oblique to the cutting plane--. Applicant thanks the Examiner for his suggestions, and respectfully requests that this objection be withdrawn.

**CONCLUSION**

For all of the foregoing reasons, the application is believed to be in condition for allowance. Withdrawal of the Examiner's objection, and an early notice of allowance of claims 1, 2, and 5-9, is earnestly solicited.

Respectfully submitted,

JACQUES VINCENT
